## A SMOOTH JOURNEY

Stop for snacks, not gas. With an estimated fuel consumption of 27km/l, the Prius Hybrid make those requent trips to the petrol stations a thing of the past.

## FLEXIBILITY OF SPACE

The rear seats offer an array of seating and cargo configurations. Not only do you get the convenience of forward and backward sliding of the seats to maximise legroom, you may recline the seats for optimal confort.

## AERODYNAMIC DESIGN

Thanks to its sleek, aerodynamic design, the Prius takes the path of least air resistance. Its triangular silouhette effortlessly slices the air while at the same time reducing fuel consumption and increasing overall efficiency.
